Overview

The Missouri State Employees' Retirement System (MOSERS) can accept, as a tax-free transaction, an "eligible rollover distribution" as defined under the Internal Revenue Code.

- An "eligible rollover distribution" received by MOSERS can only be used to purchase service credit.
- MOSERS will not accept a rollover in excess of the balance due for the purchase or reinstatement of service credit.
- Only eligible tax-deferred funds from your transferring account(s) may be rolled over to MOSERS. In other words, your name must be on the account. Distributions from your spouse's plan cannot be used to purchase service in MOSERS.
- If the eligible distribution is not rolled directly to MOSERS, the payer is required to withhold 20% for federal taxes.
- Accrued contributions to and earnings on your MO Deferred Comp Plan (457 account) may be used to purchase service credit in MOSERS. Keep in mind, any money rolled from a 457 to MOSERS will lose the distribution characteristics of a 457 plan.

The *Tax-Free Rollover Certification Form* can be found in the back of this brochure, or on our website at www.mosers.org.

If you have questions regarding rollover options, contact a MOSERS benefit counselor at (800) 827-1063 or (573) 632-6100.

Roll Over an Eligible Distribution to Purchase Service Credit

Distributions Eligible to Roll Over

Consistent with the Internal Revenue Code, MOSERS will accept rollovers as payment for purchases of service credit, provided the source of the “eligible rollover distribution” is:

- A distribution from a 457 deferred compensation plan.
- A 401(a) qualified plan (including a pension, profit sharing, 401(k), ESOP, or Keogh plan).
- A 403(a) qualified annuity plan.
- A 403(b) tax-sheltered annuity, custodial or retirement account.
- A 408(a) individual retirement account (IRA) or a 408(b) individual retirement annuity. MOSERS will only accept pre-tax contributions from a traditional IRA that provides separate accounting for pre-tax contributions. After-tax contributions from an IRA are not acceptable.

MOSERS can accept a rollover directly from a member ONLY IF the amount was distributed to the member from a qualified plan and is rolled over by the member to MOSERS within 60 days of that distribution, and the member submits proof of rollover eligibility along with their check.

Distributions Not Eligible to Roll Over

An “eligible rollover distribution,” which can be rolled over to MOSERS, is all or any of the taxable portion of an employee’s benefit from a qualified plan, but does not include:

- Rollovers from SIMPLE IRAs and Coverdell education savings accounts.
- Any payment that is one of a series of substantially equal periodic payments made over the life or life expectancy of the member or the joint life or joint life expectancies of the member and his/her designated beneficiaries.
- Any payment that is one of a series of substantially equal periodic payments made for ten years or more.
- Required distributions under Internal Revenue Code Section 401(a)(9).
- Any distribution not includable in taxable income.
- Death benefit payments made to a member as a beneficiary under a qualified plan.
- A Roth IRA.
- Certain other types of payments that are not considered to be “eligible rollover distributions.”

Important Information

- An incomplete form could delay the processing of your request.
- Per IRS guidelines, MOSERS can only accept an amount equal to or less than the balance due for a purchase or reinstatement of service credit. Overpayments will be returned.
- Internal Revenue Code limits non-taxable IRA rollovers under the 60-day rule to one per year.
- All purchases must be completed (paid in full) prior to applying for retirement benefits.
- If the completed *Tax-Free Rollover Certification* form is not received by MOSERS prior to or with the rollover check, MOSERS will not be able to process the payment.
- If for any reason, your account custodian will not complete this *Tax-Free Rollover Certification* form, MOSERS will NOT be able to process payment from that institution.

To Whom It May Concern:

MOSERS is a governmental defined benefit plan under Section 401(a) of the Internal Revenue Code. For the purchase of service credit, we can accept rollovers from other 401(a) qualified plans, 403(a) qualified annuity plans, traditional IRAs, 403(b) plans, and governmental 457(b) deferred compensation plans. In addition, we can accept in-service trustee-to-trustee transfers from 403(b) and governmental 457(b) plans for the purchase of service credit. However, we must receive proper certification of the status of the funds used to purchase credit.

Upon our receipt of the Rollover/Transfer Certification for Pre-Tax Funds for the Purchase or Transfer of Service Credit after the member has made a valid application, we will be able to accept qualified funds in payment to purchase eligible service credit with this retirement system. IRS guidelines will not allow us to accept funds in excess of the balance due. ANY OVERPAYMENTS WILL BE RETURNED.
