ABOUT THE COLLEGE AND UNIVERSITY RETIREMENT PLAN

The College and University Retirement Plan (CURP) became effective July 1, 2002, and is administered in accordance with Section 104.1200 through 104.1215 of the Revised Statutes of Missouri. It is a non-contributory 401(a) defined contribution plan for “education employees” at regional universities in Missouri.

“Education employees” are defined as teaching personnel, instructors, assistant professors, associate professors, professors, and academic administrators holding faculty rank. The primary duty of education employees in the CURP is to teach or perform research except with regard to academic administrators “holding faculty rank.” The phrase “holding faculty rank” applies only to academic administrators. Those administrators will be in the CURP regardless of whether or not their primary duty is to teach or perform research.

TRANSFERRING FROM CURP TO MOSERS

After participating in the CURP for at least six years, and while still employed in a CURP-covered position, you may elect to change from the CURP to the Missouri State Employees’ Plan 2000 (MSEP 2000), or MSEP 2011, whichever applies, which is administered by the Missouri State Employees’ Retirement System (MOSERS). Your date of hire will dictate which plan you will be transferred to. If you switch to the MSEP 2000 or MSEP 2011, you:

- Must meet the membership requirements of MOSERS.
- Will immediately become a vested member of the MSEP 2000 or MSEP 2011 (depending on date of hire).
- Will not receive credit in MOSERS for service rendered while a participant in the CURP. There are no provisions to purchase or transfer service credit between the CURP and MOSERS plans. Your MOSERS retirement benefit will be calculated on your MOSERS service only.
- Will forfeit all rights to future participation in the CURP (you cannot go back to the CURP). However, you will retain ownership and control of your CURP account with TIAA.

For calculation purposes, the six-year period begins after you are initially employed in a position covered by the CURP. The period ends six years later (includes time for breaks in service, sabbaticals, or leaves of absence).

No transfer from MOSERS to CURP is allowed.

INSTRUCTION FOR THE TRANSFER

For your convenience, a *Transfer of CURP Membership* form is included in this brochure. If you elect to transfer to the MSEP 2000 or MSEP 2011, please complete the form and give it to your human resources representative. Your human resources representative will complete Section C of the form and send it to MOSERS.
