How to Create Your Benefit Estimate

Creating your estimate is as easy as 1, 2, 3!

1. Log in to myMOSERS and click on **Estimate Your Retirement Benefit** under **Estimates**. You’ll see a similar screen that will prompt you for the following information:

![Estimate Your Retirement Benefit](image1)

- **Next Available Retirement Dates**
  - Normal Retirement: 10/01/2014
  - Normal Retirement with B&D: 10/01/2014

- **Select a retirement date to see all payment options you are eligible for on a specific date. Both your retirement application and election form must be received at MOSERS according to the due dates coinciding with your date of retirement.**

  - **Required Fields**
    - Retirement Date: [Month], [Day], Year
    - Spouse's Date of Birth: [Month], [Day], [Year] *Why?*
    - Potential HOURS of Sick Leave: [Why?]
    - Potential MONTHS of Outside Service: [Why?]

2. Fill out your planned retirement date, estimated sick leave hours, and your spouse’s birthday if applicable. Then click **Submit**.

3. We’ll generate your benefit estimate right there! Depending on your plan, you may find more options than shown below:

![Benefit Estimate](image2)

- **MSEP and MSEP 2000**
- **100 Guaranteed Payments**
- **180 Guaranteed Payments**
- **Life Income Annuity**
- **Estimate(s) include 1,000 HOURS of potential sick leave.**
- **Build a New Estimate**

And that’s it! Since your estimate is built using your available information, you’ll need to select **Build a New Estimate** to adjust your retirement date.
