Stay connected with your
benefit providers

Statewide Employee Benefit Enrollment System

Core benefits are provided to you through various administrators when you become employed with the state. The value of these benefits is significant and will hopefully improve your quality of life and assist you in the pursuit of financial security.

Enrolling for state benefits is easy! Follow these simple steps:

1. Provide your employer with an email address on your date of hire. Secure access information (**for SEBES enrollment only**) will be forwarded to your email account. If you are unable to provide an email address, this information will be mailed to your home. **Mailing secure access information to your home will cut into your enrollment period.**
2. Visit www.sebes.mo.gov and log on with your secure access information **before the deadline listed below.**
3. Complete your enrollment by _____, which is 31 days from your date of hire. After the deadline, you must contact the appropriate administrator(s) directly.
