ACCEPTANCE LETTER

To Whom It May Concern:

MOSERS is a governmental defined benefit plan under Section 401(a) of the Internal Revenue Code. For the purchase of service credit, we can accept rollovers from other 401(a) qualified plans, 403(a) qualified annuity plans, traditional IRAs, 403(b) plans, and governmental 457(b) deferred compensation plans. In addition, we can accept in-service trustee-to-trustee transfers from 403(b) and governmental 457(b) plans for the purchase of service credit. However, we must receive proper certification of the status of the funds used to purchase credit.

Upon our receipt of the Rollover/Transfer Certification for Pre-Tax Funds for the Purchase or Transfer of Service Credit after the member has made a valid application, we will be able to accept qualified funds in payment to purchase eligible service credit with this retirement system. IRS guidelines will not allow us to accept funds in excess of the balance due. ANY OVERPAYMENTS WILL BE RETURNED.
