## When You Begin State Employment

### WHAT IS MOSERS?

MOSERS is a single-employer, public employee retirement plan administered in accordance with Chapter 104 of the Revised Statutes of Missouri (RSMo).

MOSERS operates as a tax-qualified “defined benefit” plan under Section 401(a) of the Internal Revenue Code. A defined benefit (DB) plan is one that requires a member to be vested (work a set number of years in a benefit-eligible position<sup>①</sup>) and provides a set benefit (based on salary and credited service<sup>①</sup>) for life once a member meets the age and service requirements for retirement. In other words, the “benefit” is “defined” by the law.

A DB plan can be either contributory or noncontributory. The ALJLAP is a noncontributory plan.

Acting as an administrative agent, MOSERS oversees four separate and distinct plans, which provide retirement, life insurance, and long-term disability benefits to different classifications of employees. The plans administered by MOSERS are:

- **Missouri State Employees’ Plan (MSEP)**
  - General State Employees
  - Legislators
  - Elected State Officials
- **Missouri State Employees’ Plan 2000 (MSEP 2000)**
  - General State Employees (including MSEP 2011 members)
  - Legislators (including MSEP 2011 members)
  - Elected State Officials (including MSEP 2011 members)
- **Judicial Plan/Judicial Plan 2011**
- **Administrative Law Judges and Legal Advisors’ Plan (ALJLAP)**

MOSERS administers the following benefits for most state employees:

- Retirement
- Life Insurance
- Long-Term Disability Insurance

5

Each September, MOSERS’ Board of Trustees establishes an employer contribution rate for the next fiscal year. The contribution rate, which is set as a percentage of payroll, is actuarially calculated to cover the system’s benefit obligations and administrative costs for the coming fiscal year and into the future. When the system’s actuary<sup>①</sup> calculates the contribution rate, it is based on a number of factors including the current level of benefits, how many members are in the plan, current and expected future pay<sup>①</sup> levels, the age and average life expectancy of members, expected earnings on investments, and the plan’s unfunded liability.

State law requires all public employee retirement systems in Missouri to publish comprehensive annual financial reports. MOSERS’ annual report is designed to comply with both Missouri State law and the Government Finance Officers Association’s disclosure guidelines applicable to public employee retirement plans. A *Summary Annual Financial Report* is sent to you each December, and a *Comprehensive Annual Financial Report (CAFR)* is available to you upon request. Both publications are available on our website.

## **THE BOARD OF TRUSTEES**

Responsibility for the operation and administration of MOSERS is vested in an 11-member board of trustees. Board members include:

- Two active members of MOSERS elected by the active and terminated-vested<sup>①</sup> members
- One retiree elected by the retired members of MOSERS
- Two members of the Senate appointed by the President Pro Tem of the Senate
- Two members of the House of Representatives appointed by the Speaker of the House
- Two members appointed by the Governor
- The State Treasurer
- The Commissioner of Administration

The board is responsible for establishing and maintaining board policies, procedures, and objectives for all aspects of the retirement system's operations. The day-to-day management of MOSERS is delegated to the executive director who is hired by the board. The executive director acts as advisor to the board on all matters pertaining to the system and, with the approval of the board, contracts for professional services and employs the remaining staff needed to operate the system.

### **Responsibilities of the Board of Trustees**

- To select and employ a qualified advisor (an actuary<sup>①</sup>) regarding funding of the system
- To arrange annual audits of MOSERS' records and accounts
- To approve and certify the employer retirement contribution rate
- To administer MOSERS retirement plans according to the *Revised Statutes of Missouri*
- To approve the MOSERS budget
- To make an ongoing educational commitment to learn more about investments, benefits, and insurance while serving on the board
- To act as investment fiduciaries when administering MOSERS' assets
- To provide (or contract) life insurance and long-term disability insurance benefits for eligible state employees

## **SYSTEM ADMINISTRATION**

### **Confidentiality of Your Records**

MOSERS is required to provide, upon written request, the following information with regard to any present or future benefit recipient who is receiving or may be eligible to receive a benefit in the future under any benefit program administered by MOSERS: the benefit recipient's name, eligibility to receive a benefit, dates when a benefit was or will be payable, and current or estimated future benefit amount.

All other member records shall be kept confidential unless:

- The benefit recipient consents in writing to the release of the information
- The information is requested by the benefit recipient's legal representative
- The information is requested pursuant to a subpoena or other legal process as provided by law including, but not limited to Sections 104.312 or 104.1051, RSMo
- Disclosure is made by MOSERS for a purpose that is compatible with the purpose for which it was collected

You should be aware that when you apply for retirement it is entirely possible that your employer will become aware that you have applied. This is simply a function of the ongoing flow of information between MOSERS and employers in connection with personnel management and the processing of retirement applications.

### **MOSERS Member ID**

Member IDs are our way of helping protect you against identity theft. The ID will help us quickly identify you in our computer system in order to efficiently maintain our records and internal processes. Your member ID and social security number have been cross-referenced in our computer system so we can identify you using either number.

- MOSERS will use your member ID on correspondence (except tax documents) instead of your social security number. We are required to include your social security number on any tax related forms used to complete your income tax return (such as a 1099-R).
- You may use your member ID when you call or write MOSERS; however, you are not required to do so. We can identify you in our system by either member ID or social security number.
- Your member ID will be given out over the phone only after your identity has been authenticated.
- Unlike passwords or PIN numbers, your member ID cannot be changed.
- Your member ID should only be used in conjunction with MOSERS related correspondence. Other benefit administrators (MCHCP, MO Deferred Comp, etc.) do not have a record of this number.

### **Appeals to the Board of Trustees**

Members, beneficiaries, survivors, retirees, judges, administrative law judges and employers may request review by the board of trustees of the Missouri State Employees' Retirement System (MOSERS) of decisions by the executive director of MOSERS, or his/her designee, concerning eligibility for and/or the amount of benefits, service, contributions, refunds, and membership.

The request for review must be stated in writing and addressed to the executive director or the board of trustees. The request must state what decision the board of trustees is being asked to review and what action the board of trustees is being asked to take. The request must be made within sixty (60) days after the administrative decision has been mailed or otherwise communicated to the party making the request for review.

The review will be held at the next regularly scheduled board meeting that is at least thirty (30) days after the date on which the request for review is received unless another date is mutually agreed to by the parties. The party requesting review (the appellant) will be notified in writing of the date on which the board of trustees will conduct the review.

### **Forfeiture of Retirement Benefits**

You (and your beneficiary) will forfeit all rights to retirement benefits as described below if you have been:

- Removed from office by impeachment or for misconduct.
- Disbarred from the practice of law.
- Found guilty of a felony on or after August 28, 2014 under state law (or a substantially similar offense provided under federal law) involving stealing or receiving stolen money, property, or service valued at \$5000 or more, forgery, counterfeiting, bribery of a public servant, or acceding to corruption, in connection with your duties as an administrative law judge or legal advisor. (This forfeiture applies only to retirement benefits accrued on or after August 28, 2014.)

## UNDERSTANDING YOUR PLAN

### Highlights of Your Retirement Plan

## Throughout Your Career

### PLANNING AHEAD FOR YOUR RETIREMENT

Financial professionals often refer to sources of retirement income as the “three-legged stool.” The goal of the three-legged stool is to achieve a reasonable level of replacement income that will support your financial needs during retirement.

When you retire from state employment, the legs are made up of your MOSERS benefit, social security, and your personal savings and investments. By familiarizing yourself with your future estimated MOSERS and social security benefits, you will be better able to determine how much you will need in personal savings and investments to achieve your desired standard of living during retirement.

Financial planners stress the importance of personal savings and investments and recommend the use of tax-favored savings vehicles (such as MO Deferred Comp) to accumulate personal savings. Visit the deferred comp website at [www.modeferrredcomp.org](http://www.modeferrredcomp.org) for more information about the plan.

There is one point on which most people agree—retirement should be a time of financial security—a reward for a lifetime of hard work. Your continued participation in MOSERS is an important part of ensuring a successful financial future, but not the only part you will need to consider.

10

### While You Are Working

- Review your MOSERS *Annual Benefit Statement*. Report any discrepancies to MOSERS as soon as possible.
- Purchase, if cost effective for you, any eligible credited prior service<sup>①</sup> as soon as possible (i.e. time worked in a full-time position for a city, county, public school or other political subdivision in Missouri).
- Evaluate your personal finances periodically as they relate to meeting your financial needs at retirement.
- Read the handbooks and correspondence regarding your benefits. Contact a MOSERS benefit counselor with any questions you have regarding your retirement benefits.
- Visit our website to stay updated on the latest news and to update any personal information, such as address, email or beneficiaries.
- Start investing for retirement and contribute to the MO Deferred Comp Plan. This long-term, tax-sheltered savings plan is a good way to supplement your MOSERS retirement and social security income. There are different options to choose from once you start your monthly contributions through payroll deduction. Choose to invest in a Missouri Target Date Fund, which automatically adjusts your asset allocation during employment and through retirement, or enroll in the Self-Directed Brokerage Account for a more hands-on approach.
- Check out MOSERS' financial calculators for mortgage loans, car loans, and paying off credit card debt. From MOSERS' website, click on **Members**, then **Calculators**, then **Financial Calculators**.

## HOW YOUR BENEFIT ADDS UP

To be “vested” means you are eligible for a retirement benefit once you meet the age and service requirements. As an administrative judge<sup>①</sup> or legal advisor<sup>①</sup>, you are automatically “vested” on the day you become a member<sup>①</sup> of the ALJLAP.

Let’s take a look at the big picture. What is the value of your retirement benefit? This example provides an estimate of a retirement benefit paid over a 15-year period. The following assumptions are used for illustrative purposes only:

Final Average Pay<sup>①</sup>:.....\$8,000.00  
 Annual COLA:.....4% (until COLA cap)\*  
 Annual COLA:.....2% (80% of the percentage increase in the average CPI, after COLA cap)  
 Length of Retirement: ..... 15 years

$$\$8,000 \times .50 = \$4,000 \text{ Base Benefit}$$

Year			COLA		Monthly Benefit	Annual Benefit
1	\$4,000.00				\$4,000.00	\$48,000.00
2	\$4,000.00	x	1.04	=	\$4,160.00	\$49,920.00
3	\$4,160.00	x	1.04	=	\$4,326.40	\$51,916.80
4	\$4,326.40	x	1.04	=	\$4,499.46	\$53,993.52
5	\$4,499.46	x	1.04	=	\$4,679.44	\$56,153.28
6	\$4,679.44	x	1.04	=	\$4,866.62	\$58,399.44
7	\$4,866.62	x	1.04	=	\$5,061.28	\$60,735.36
8	\$5,061.28	x	1.04	=	\$5,263.73	\$63,164.76
9	\$5,263.73	x	1.04	=	\$5,474.28	\$65,691.36
10	\$5,474.28	x	1.04	=	\$5,693.25	\$68,319.00
11	\$5,693.25	x	1.04	=	\$5,920.98	\$71,051.76
12	\$5,920.98	x	1.04	=	\$6,157.82	\$73,893.84
13	\$6,157.82	x	1.04	=	\$6,404.13	\$76,849.56
14	\$6,404.13	x	1.04	=	\$6,600.00	\$79,200.00
15	\$6,600.00	x	1.02	=	\$6,732.00	\$80,784.00
<b>Estimated Total Retirement Benefit</b>						<b>\$958,072.68</b>

\* This COLA applies if you were hired before August 28, 1997. In this example, the 65% COLA cap is reached in the 14th year. Future COLAs are based on 80% of the percentage increase in the average CPI from one year to the next with an annual maximum of 5% (minimum 0%).

## LIFE EVENTS

### Divorce and Your MOSERS Benefit

If you have been married at any time while you were employed in a position covered by the ALJLAP and are considering a divorce, your spouse may be legally entitled to a portion of your retirement benefit. By law, your ex-spouse may receive up to 50% of your benefit accrued during all or part of the marriage.

Your retirement benefit from MOSERS may be marital property. See our brochure *Divorce and Your Retirement Benefit* for more details.

### Survivor Benefits When You Die

#### *Death Before Retirement (Active)*

Should you die while serving as an administrative law judge<sup>①</sup> or legal advisor<sup>①</sup>, a survivor benefit will be paid to your eligible spouse or child(ren). Although survivor benefit payments begin the first of the month following your date of death, they are not automatic. Each eligible benefit recipient must submit an *Application for Survivor Benefits* with the required proof-of-age and lawful presence documentation.

To be eligible, your surviving spouse must be married to you for a minimum of two consecutive years immediately prior to your date of death and also on your last day of employment as an administrative law judge. The monthly benefit for your spouse will be 50% of your retirement benefit and payable for the remainder of your spouse's life.

If there is no eligible spouse, a total of 50% of your monthly benefit will be paid to your natural or legally adopted child(ren) who are younger than age 21. If there is more than one eligible child, the benefit will be divided equally among them. The survivor benefit for each child will stop when the youngest eligible child becomes age 21 (unless a child is totally disabled).

This benefit is paid regardless of your length of service; except where the period of service could not have been 12 years because of a voluntary or mandatory retirement provision. In that instance, the benefit will be prorated.

#### *Death Before Retirement (Inactive)*

Should you die after leaving state employment, but prior to retirement, your eligible spouse (or children) may receive a monthly survivor benefit if you have completed at least 12 years of service. **If you have not completed 12 years of service, there is no survivor benefit payable to anyone.**

### If You Become Disabled or Incapacitated

If you become incapacitated (no longer able to handle your own affairs), MOSERS must pay benefits to the individual who has legal responsibility for your financial matters. The possibility of becoming incapacitated is an important issue because you never know if or when it will happen. You can decide in advance who will be responsible for managing your ALJLAP benefits by designating an agent.

Any employee, beneficiary<sup>①</sup>, or retiree may designate an agent with regard to the application for receipt of an annuity<sup>①</sup> or any other benefits from the ALJLAP. Complete the *Designation of Agent* form (available online) to name an agent and a successor agent. MOSERS will recognize your agent first regarding the distribution of your benefits upon receipt of a physician's statement notifying MOSERS in writing that you are disabled or incapacitated. If your agent cannot or will not perform these duties, MOSERS will look to your successor agent for instructions (if one has been named).

The *Designation of Agent* form allows you to choose an agent who can make benefit decisions for you if you become disabled or incapacitated. This form does not give your agent broad powers (control over your other financial affairs) like those usually found in a durable power of attorney. If you are interested in giving your agent broad powers, please consult with an attorney who can advise and help you prepare a durable power of attorney.

The *Designation of Agent* form relates only to your ALJLAP benefits and becomes effective when MOSERS receives a written statement from a physician notifying us you are incapacitated.

If you become disabled or incapacitated and **have not designated** an agent to make decisions regarding your ALJLAP benefits, one of the following persons may act as an agent upon submission of a written statement from your physician regarding your disability or incapacity and the completion of a family member affidavit (available by contacting MOSERS). The powers of an agent will be granted, in the following order, to your:

- Spouse
- Child
- Parent
- Brother or sister
- Niece, nephew, or grandchild

MOSERS is not liable with regard to any payment made in good faith to your agent.

### **If You Leave State Employment**

When you leave state employment, your human resources representative will send MOSERS a termination form indicating your last day of service. The amount of service you have earned determines when you are eligible for retirement benefits. You will receive a letter from MOSERS approximately 45 days after we receive your termination form. This letter will indicate your option(s) for receiving a retirement benefit, an estimate of your benefit amount, and the date you are eligible to begin receiving benefits.

In general, the retirement laws in effect on the date you leave state employment determine both your eligibility for a benefit and the provisions used to calculate your benefit.

**It is important that you keep your address current.** Please call, write, or go online to notify MOSERS if your mailing address or email address changes. We will send you a retirement packet approximately 120 days prior to your normal retirement date<sup>①</sup>.

If you leave state employment, please contact MOSERS if your email or mailing address changes.

## Approaching Retirement

---

### APPROACHING RETIREMENT CHECKLIST

#### Twelve Months Prior to Retirement

- Contact a MOSERS benefit counselor for an estimate of your retirement benefit. Provide us with your amount of unused sick leave, your spouse's date of birth, and the amount of prior service credit you plan to purchase or transfer (if applicable). You can also generate your own estimate on our website. Login to your secure **Member Homepage** and choose **Estimate** then **Estimate Your Retirement Benefit**.
- Review your MOSERS *Annual Benefit Statement*. Report any discrepancies to MOSERS as soon as possible.
- Review your retirement handbook. Contact a MOSERS benefit counselor with any questions you have regarding your retirement benefits.
- Contact your social security office for an estimate of your social security benefit.
  - **Social Security Windfall Elimination Provision (for non-social security covered service)** - Generally speaking, the non-social security service that would be eligible for credit in MOSERS is not affected by the windfall elimination provision. However, if the service you are considering to purchase is not covered by social security, you should contact a social security office to discuss what implications this purchase would have on your future social security benefit.
- Check the state's deferred comp plan regarding your distribution options at retirement (if applicable).

14

#### Six Months From Retirement

- Discuss your benefit estimate and the different benefit payment options with your family and financial advisor.
- Prepare a retirement budget. Compare your retirement expenses against your ALJLAP benefit, social security, and any other retirement income such as savings that will be available to you.
- Contact the Missouri Consolidated Health Care Plan (MCHCP) or your medical benefit administrator regarding your medical coverage at retirement.
- Obtain a copy of an acceptable proof-of-age and lawful presence document (see list on page 21) for yourself and your spouse (if applicable). If married, you must also provide MOSERS with a copy of your marriage certificate.
- It is important to keep MOSERS informed about your current mailing and email address. Please call, write, or go online to notify MOSERS when your address changes.

## ACQUIRING ADDITIONAL SERVICE CREDIT

Certain provisions allow you to purchase, or transfer several types of service under the ALJLAP. The purchase or transfer of service may increase the amount of your retirement benefit and, in some cases, you may become eligible to retire at an earlier date.

### Automatic Military Service Credit

If you are called to, or volunteer for, active military duty, the Uniformed Services Employment and Reemployment Rights Act (USERRA) protects your employment and benefit rights, provided you meet the eligibility requirements. When you return from military leave, you may be eligible to receive credit in the ALJLAP for your active-duty military service. This service will be used in determining the amount of, and your eligibility for, a retirement benefit. To be eligible for automatic military service credit, you must:

- Have been employed by the state immediately prior to entering the armed forces
- Return to state employment within the time frame specified by USERRA.
  - **1-30 Days:** Report for work by the beginning of the first regularly scheduled work day that falls 8 hours after you return home.
  - **31-180 Days:** Submit an application for reemployment no later than 14 days after completion of military service.
  - **180+ Days:** Submit an application for reemployment no later than 90 days after completion of military service.
  - **Service Connected Injury or Illness:** The reporting and application deadlines listed above will be extended up to 2 years if you are hospitalized or convalescing because of a service connected injury or illness.
- Provide a copy of your honorable discharge and your military DD 214 form or other pertinent documentation.
- Meet any other requirements under USERRA.

### Purchasing Prior Military Service Credit

You may purchase up to four years of active-duty military service credit performed prior to becoming a member of MOSERS. This includes active-duty military training.

If you elect to purchase your active-duty military service, you must purchase all that you served (total months and days) up to a maximum of four years, prior to applying for retirement. In connection with such a purchase, MOSERS requires that you submit a copy (not the original) of your military *DD 214* or *NGB 23 Discharge* form, which verifies the following:

- Your service was active duty
- Your service was in an eligible branch of the U.S. Armed Forces or reserve components (Army, Air Force, Navy, Marine Corps, Coast Guard, Army National Guard, or Air National Guard)
- Your dates of service
- You were honorably discharged

Any purchase or transfer of service must be completed prior to applying for retirement.

For additional information on USERRA go to [www.dol.gov](http://www.dol.gov).

## Transfer/Purchase Public Employment Service

Under the provisions of Section 105.691, RSMo, you may receive credit for your full-time, nonfederal public employment within the state of Missouri. Depending on certain criteria, this service may be purchased, transferred, or a combination purchase/transfer.

To be eligible to **transfer** your service from another retirement plan to MOSERS:

- Your prior employment must be covered by another retirement system and you must be vested in that system.
- There must be an agreement between MOSERS and the other retirement system.

You may be eligible to **purchase** service if:

- You are not vested or elect to withdraw from the other retirement system
- There is no agreement between the two systems
- Your prior employment was not covered by a retirement system
- You have service remaining after you transfer eligible service

If you elect to purchase credit for your full-time, nonfederal public employment at a reduced rate (under Section 104.344, RSMo), you must purchase all that you have up to four years. To be eligible you cannot be vested in another retirement plan for the same period of service.

You cannot receive credit for the same period of service under two retirement systems. If you purchase or transfer service credit, you must forfeit all rights to benefits for that same period of service under the other retirement system.

16

**You must complete any purchase/transfer of service prior to applying for retirement.** If you are interested in purchasing or transferring service, please go online to MOSERS' website ([www.mosers.org](http://www.mosers.org)) or contact a MOSERS benefit counselor for an application and detailed brochure titled *MSEP/MSEP 2000 Acquiring Service Credit*.

## Transfer of Service

### *Section 104.800, RSMo*

You may be able to increase your retirement benefit by transferring service. Section 104.800, RSMo allows you to make a one-time transfer of **up to eight years** of creditable service to or from the following retirement systems:

- Missouri State Employees' Plan (MSEP)
- Administrative Law Judges and Legal Advisors' Plan (ALJLAP)
- MoDOT and Patrol Employees' Retirement System (MPERS)
- Prosecuting Attorneys and Circuit Attorneys' Retirement System (PACARS)

The Missouri State Employees' Plan 2000 (MSEP 2000) is not included in this transfer provision.

This one-time transfer between retirement plans must be completed prior to your date of retirement. If you elect to transfer service, you will forfeit any remaining service of that type and all rights to benefits under the retirement plan based on that service. For more information on transferring service, please contact a MOSERS benefit counselor.

### *Section 287.815.3, RSMo*

Members of the Labor and Industrial Relations Commission, administrative hearing commissioners, members of the State Board of Mediation, and attorneys or legal counsel appointed or employed under Section 286.070, RSMo, may be eligible to transfer service credit earned as a result of prior service in any retirement plan administered by MOSERS to the ALJLAP. To be eligible for the transfer, you must have less than 12 years of service as an administrative law judge<sup>Ⓛ</sup> or legal advisor<sup>Ⓛ</sup> or both. If you elect to transfer this service, you will forfeit all rights to benefits under the

retirement plan from which the service was transferred. Administrative hearing commissioners assigned to the office of administration must serve a majority of a term (at least three years) in order to qualify for benefits.

*Section 287.815.1, RSMo*

This provision allows the chairman of the State Board of Mediation and the members of the Labor and Industrial Relations Commission who have served in the general assembly, but have less than 12 years of ALJLAP service, to receive two full years of creditable service in the ALJLAP for each full or partial biennial assembly served or purchased. In order to receive this credit, the member<sup>①</sup> must waive in writing all rights to any retirement benefit from the MSEP or the MSEP 2000.

**SERVICE CREDIT WHILE ON A LEAVE OF ABSENCE**

It is important to remember that an approved leave of absence does not guarantee that you will receive credited service<sup>①</sup> for the period of time on leave. Not all leaves of absence qualify for credited service. You will, however, continue to accrue service if your employing agency approves one of the following leaves of absence:

- Leave of absence due to illness or injury for yourself (up to 12 months)
- Leave of absence for military service or training
- Leave of absence eligible under the Family and Medical Leave Act of 1993 (FMLA)

## Ready to Retire

---

### READY TO RETIRE CHECKLIST

It's never too early to start planning for retirement. MOSERS benefit counselors are available to assist you along the way. The checklist below provides a general timetable for retirement preparation.

The purchase of credited prior service<sup>①</sup> must be completed before applying for retirement.

#### One Month From Retirement

- Go online and complete your *Retirement Application for Judges, Administrative Law Judges and Legal Advisors* and related forms. Please submit your retirement application **at least 30 days, but not more than 90 days prior to the month your retirement benefit is to begin.**
- Go online or obtain the required form(s) to retain your medical coverage from your human resources representative or MCHCP (if applicable).
- Notify your department human resources office regarding your intentions to retire. Find out when you should submit a letter of resignation.
- Contact your local social security office to file for benefits if you are eligible and wish to.
- Check with the state's deferred comp plan regarding your distribution options at retirement (if applicable).
- Make sure you have completed and submitted the required applications to continue your life insurance (if applicable).
- Review your estate/will information and life insurance beneficiary<sup>①</sup> designations (if applicable).

## NORMAL RETIREMENT

As an administrative law judge<sup>①</sup> or legal advisor<sup>①</sup>, you are automatically "vested" on the day you become a member of the ALJLAP. The amount of service you earn determines when you will be eligible the amount of your benefit. In general, the retirement laws in effect on the date you leave state employment determine your eligibility for a benefit and the provisions used to calculate your benefit.

### Eligibility Requirements

Your normal retirement date<sup>①</sup> is the date at which you may retire with an unreduced benefit. You will be eligible for normal retirement when you are no longer serving as an administrative law judge or legal advisor and meet at least one of the following age and service requirements:

- Age 62 with at least 12 years of service.
- Age 60 with at least 15 years of service.
- Age 55 with at least 20 years of service.

### Base Benefit<sup>①</sup> Formula

At the time you apply for retirement, your base benefit is calculated by using a formula that takes into account the following factors:

- Final Average Pay<sup>①</sup> - The average of your highest 12 consecutive months of compensation.
- Multiplier - The multiplier is established by the legislature and is currently 50% (.50).

Under the Internal Revenue Code, pension plans such as MOSERS must limit retirement benefits and compensation used to determine retirement benefits. The limits are indexed to increase in increments of \$5,000 depending on the rate of inflation (and amendments to the law).

$$\text{Final Average Pay} \quad \times \quad \text{Multiplier (.50)} \quad = \quad \text{Monthly Base Benefit}$$

#### *Example of Base Benefit Calculation*

As with any formula, it is sometimes helpful to provide an example to see how the calculation works. In this example, the following assumptions have been made:

Final Average Pay:.....\$8,000.00  
 Multiplier ..... 50% or .50

Final Average Pay	x	Multiplier (.50)	=	Monthly Base Benefit
<b>\$8,000</b>	<b>x</b>	<b>.50</b>	<b>=</b>	<b>\$4,000</b>

## RETIRING WITH LESS THAN 12 YEARS OF SERVICE

You are eligible for **reduced** retirement benefits if you are at least age 65 with **less than** 12 years of service. If you elect to retirement with less than 12 years of service, your base benefit<sup>①</sup> will be prorated (reduced) according to your actual service. The reduction factor is based on your actual service divided by 144 months (12 years).

$$\text{Actual Service} \div 144 \text{ Months} = \text{Reduction Factor}$$

### *Example of Early Retirement Benefit Formula*

In this example the following assumptions have been made:

Age at Retirement:.....65 Years  
 Final Average Pay<sup>①</sup> ..... \$8,000  
 Credited Service ..... 10 Years (120 Months)

### Early Retirement Reduction Factor Calculation

$$\begin{array}{rclclcl} \text{Actual Service} & \div & 144 \text{ Months} & = & \text{Reduction Factor} \\ \mathbf{120 \text{ months}} & \div & \mathbf{144 \text{ Months}} & = & \mathbf{0.83333} \end{array}$$

### Base Benefit Calculation

$$\begin{array}{rclclcl} \text{Reduction Factor} & \times & \text{FAP} & \times & \text{Multiplier (.50)} & = & \text{Base Benefit} \\ \mathbf{0.83333} & \times & \mathbf{\$8,000} & \times & \mathbf{.50} & = & \mathbf{3,333.32} \end{array}$$

## APPLYING FOR RETIREMENT

We recommend that you apply for retirement 45-90 days prior to your date of retirement. The payment of benefits is not automatic and cannot be paid retroactively. Before benefit payments can begin, you must leave employment, meet the age and service requirement for retirement, and complete the application process by completing the *Retirement Application for Judges, Administrative Law Judges and Legal Advisors* form and submitting it to MOSERS. You can complete the retirement process online.

Estimates provided to you through the MOSERS website or from staff must be verified, meet all legal requirements, and if necessary, be corrected before any payments can be made. Corrections could change the amount of the service and benefits you receive or even your eligibility to receive a benefit.

### Acceptable Proof-of-Age and Lawful Presence Documents

To establish your eligibility for retirement, you must submit an acceptable proof-of-age and lawful presence document with your retirement application. Please submit **one** of the following documents:

- U.S. Birth Certificate (certified with embossed or raised seal issued by state or local government)

OR a photocopy of **one** of the following:

- Valid Missouri Driver's License or Missouri Nondriver ID
- U.S. Passport (current or expired)
- U.S. Certificate of Citizenship
- U.S. Certificate of Naturalization
- U.S. Certificate of Birth Abroad

## BENEFIT PAYMENT DETAILS

### Direct Deposit of Your Benefit Payment

The standard form of payment for receiving your monthly retirement benefit will be direct deposit. By using direct deposit your benefit payment will automatically be deposited in your checking or savings account on the **last working day** of each month. Direct deposit is the safest, fastest, and most convenient way to receive your monthly benefit payment. When you apply for retirement (or survivor) benefits, please complete and submit a *Direct Deposit or Pay Card Authorization* form.

### PaychekPLUS

The PaychekPLUS is a prepaid debit card option for receiving your monthly benefit payment from MOSERS. This is an option for retirees who receive their monthly benefit payment by paper check. It works just like a debit card, in that you must activate it before it can be used, and you will choose your own secure PIN. If you have an existing pay card, (other than a social security pay card), MOSERS can transmit your monthly benefit payment to that card. Complete the *Direct Deposit or Pay Card Authorization* form with your card information. If you don't have a pay card, Central Bank will send you one after you submit the form to MOSERS.

In addition to the retirement application, complete the following forms (if applicable) during the retirement process:

- *Direct Deposit or Pay Card Authorization*
- *Substitute W-4P (Tax Withholding)*
- *Designation of Agent*
- *Retain/Change Optional Life Insurance*
- *Retain/Terminate Dependent Child Life Insurance*
- *Designate/Change of Beneficiaries-Basic & Optional Life Insurance*
- *Authorization to Release Information*

All of these forms may be completed and submitted online by logging on to your **Member Homepage**.

### **Deductions From Your Benefit Payment**

If applicable, the following deductions may be withheld from your monthly benefit payment:

- Missouri income tax as specified on your W-4P
- Federal income tax as specified on your W-4P (Without this form, we are required to withhold federal taxes as if you are married claiming three exemptions.)
- MOSERS optional life insurance premium
- Aflac insurance premium
- Missouri Consolidated Health Care Plan premium
- Miscellaneous deductions such as vision & dental insurance and Missouri State Employees Charitable Campaign (MSECC) contributions

### **Waiving Your Benefit**

You may waive your monthly retirement benefit for a period of time. However, federal law forbids the waiver of your benefit once you are older than age 70½ and retired. If you decide to waive your benefit and reinstate it later, the amounts waived are forfeited.

### **Protection of Benefits**

Your benefits from MOSERS are not subject to execution, garnishment, attachment, writ of sequestration, or any other process or claim, except with regard to the collection of child support or maintenance, payment made to a former spouse pursuant to a division of benefits order, or an IRS levy. Also, your benefit may not be transferred or assigned. However, you may authorize a deduction from your retirement benefit for premiums due for any state-sponsored life or medical insurance, Missouri income taxes, federal income taxes, and Missouri State Employees Charitable Campaign (MSECC) contributions.

### **Correcting a Benefit Error**

The executive director of MOSERS is in charge of all records of the retirement system. If, due to an error, you receive more or less than the benefit to which you are entitled, the error, when discovered, will be corrected and your benefit will be adjusted accordingly.

If errors in your records are due to fraud, the perpetrator(s) of the fraud will be subject to a fine or imprisonment.

## After Retirement

### COST-OF-LIVING ADJUSTMENT (COLA)

After retirement, you will receive an annual COLA between 0-5% for your lifetime on the anniversary date of your retirement. For example, if you begin receiving retirement benefits on May 1, 2021, your first COLA will be payable with your May 31, 2022 benefit and each May thereafter.

The ALJLAP provides an annual COLA to eligible retired members, surviving spouses, beneficiaries, and surviving children younger than age 21.

If you choose, you may waive your COLA. However, federal law forbids you from waiving your COLA once you are older than age 70½. In addition, if you decide to waive the COLA, the waiver is final for that year's increase.

#### COLA Rate

##### *Administrative Law Judges and Legal Advisors Employed for the First Time Before August 28, 1997*

The COLA rate will be equal to 80% of the percentage increase in the average CPI from one year to the next, but will not be less than 4% or more than 5% of the monthly benefit payable prior to the increase, until the total increases equal 65% of your initial benefit (COLA cap).

After you reach 65% in accumulated COLAs, you will continue to receive a COLA each year for your lifetime. The COLA rate will be equal to 80% of the percentage increase in the average CPI from one year to the next with an annual maximum of 5% (minimum 0%).

##### *Administrative Law Judges and Legal Advisors Employed for the First Time On or After August 28, 1997*

You will be eligible to receive a COLA between 0-5% each year for your lifetime. The annual COLA will be equal to 80% of the percentage increase in the average CPI from one year to the next with an annual maximum of 5% (minimum 0%).

COLAs are applied each year on the anniversary date of your retirement.

- The “Consumer Price Index<sup>①</sup>” is the CPI for all urban consumers for the United States, or its successor index, as approved by the board, as such index is defined and officially reported by the United States Department of Labor, or its successor agency.
- According to Missouri state law, each January MOSERS must compare the average CPI for the calendar year just completed to the average CPI from the prior year to determine the percentage change between the two years. The MOSERS COLA rate for any year is based on 80% of the percentage increase in the average CPI from one year to the next.
- After you retire, you will receive a COLA between 0-5% each year for the rest of your life. Survivor benefits are also eligible for annual COLAs.

## HOW REEMPLOYMENT AFFECTS YOUR BENEFIT PAYMENT

Based on current law, if you are receiving an ALJLAP benefit and later become reemployed in a position covered by another MOSERS plan (such as a general state employee, legislator, or elected official), your monthly ALJLAP benefit will not be affected.

### Law Practice After Retirement

If you are receiving retirement benefits under the ALJLAP, you cannot practice law or do law business unless you comply with Sections 476.510 and 476.565, RSMo.

- If you are younger than age of 76, you may practice law if you make yourself available to serve as appointed defense counsel for indigent persons who may be charged with a violation of any of the criminal laws of Missouri. The appointment cannot exceed six cases involving prosecution for a felony per calendar year. Although you cannot receive any compensation for the appointment, you may be reimbursed for actual and necessary out-of-pocket expenses from funds appropriated for the support of public defender activities. The supreme court may excuse you from serving as appointed defense counsel upon showing a physical or mental condition that would preclude the service.
- If you are age 76 or older, you may practice law without making yourself available to serve as appointed defense counsel.

## DEATH AND YOUR RETIREMENT BENEFIT

### Death After Retirement

Under the ALJLAP, you will receive a retirement benefit for your lifetime. Upon your death, your eligible surviving spouse or child(ren) will receive a monthly survivor benefit equal to 50% of your monthly retirement benefit. To be eligible, your surviving spouse must have been married to you for a minimum of two consecutive years immediately prior to the date of your death and on your last day of employment as an administrative law judge<sup>①</sup> or legal advisor<sup>①</sup>. If there is no eligible surviving spouse or your spouse dies while receiving a survivor benefit, a total of 50% of your monthly benefit will be paid to your children younger than age 21. The benefits will be divided equally among your eligible children and will terminate at the end of the month in which the youngest eligible child reaches age 21. If the child is totally disabled, the benefit will be paid for his or her lifetime.

Survivor benefits are not automatic. When MOSERS is notified of your death, a benefit counselor will send your spouse, child(ren), or the person who contacts us a letter and the *Application for Survivor Benefits* (if applicable). Your spouse/beneficiary<sup>①</sup> must apply for survivor benefits, which will start the first of the month following your date of death.

## Final Benefit Payment

Your final monthly benefit payment may be prorated based on your date of death. It will be paid at the end of the month in which you die. If you elected to receive your benefit by direct deposit and the account remains open, your final payment can be deposited in your account as usual. If you receive your benefit by paper check, your final check will be issued to the appropriate party.

You have the option of designating a beneficiary<sup>①</sup> to receive the final payment from the ALJLAP. If a beneficiary has not been designated, the final payment will be paid in the following order to you:

- Surviving spouse (to whom you were married at the time of death)
- Surviving children or their descendants (divided equally)
- Surviving parents (divided equally)
- Surviving brothers and sisters, or their descendants (divided equally)

If there are no eligible family members, your final benefit payment will be paid as otherwise permitted by law.
